Sailing Instructions

ORGANISING AUTHORITY – SALTASH SAILING CLUB

SAFETY – RESPONSIBILITY – RISKS

Yacht racing, like any sport, can be dangerous. The Plym Yacht Club & Saltash Sailing Club organising committee have no responsibility for loss of life or injury or for the loss of or damage to any vessel or property. Before racing every person is urged to effect adequate and suitable insurance to cover their person, their property and their responsibilities to others.

Every person has a responsibility for rules observance, to “think safety” and to wear adequate personal buoyancy as required in RRS 1.2. The skipper of every team shall draw the attention of every crew member to these requirements. Attention is drawn also to RRS 4: The responsibility for a boat’s decision to participate in a race or to continue racing is hers alone.

Plymouth is a Naval and Commercial Port and the Port Authorities have ABSOLUTE control of seagoing activities within the Port, which by definition also extends two nautical miles to the seaward of the Breakwater. Where yachts are sailing within the boundaries of the Port, they shall comply with such regulations as may be enforced by the Port Authority. In particular, regulations regarding interference with the navigation of large vessels must be strictly complied with. Competitors are referred to the Dockyard Port of Plymouth Order 2020, a copy of which is displayed at the Plym Yacht Club and at Saltash Sailing Club. A copy can be viewed online at: <https://www.royalnavy.mod.uk/khm/plymouth/safety-and-regulations-plymouth/regulations>. Any breach of such regulations will result in the yacht concerned being disqualified from the race in which it was sailing at the time, or in a serious case, such other races as the sailing committee may decide. Legal action may also be taken by the Port Authority. Similarly, yachts should comply with the Fowey Harbour Regulations.

1 RULES

1.1 All races will be governed by the Racing Rules of Sailing, the Prescriptions of the Royal Yachting Association and Class Association Rules, except as amended by these Sailing Instructions.

2 ENTRIES

2.1 Eligible boats must be entered by completing the registration form available on-line and paid the appropriate entry fee as specified in the COGS Notice of Race. Late entries may be accepted at the discretion of the Race Committee.

2.2 The safety of a boat and her entire management, including insurance, shall be the sole responsibility of the owner/person in charge who must ensure that the boat and crew are adequate to face the conditions that may arise in the course of the race. Neither these Sailing Instructions nor any inspection of the boats limits or reduces the absolute responsibility of the owner/person in charge for the crew, the boat and her management. The race organisers shall
