- 5.2 IC flag "L" displayed over flag "Z" at the StMSC will indicate a change to the sailing instructions.
- 5.3 No visual signals, including starting signals, will be made. This changes RRS 26, 27 and 29.

## 6. SCHEDULE OF RACES

The schedule for the race is as follows. All times are British Standard Time (BST).

Friday 24 April		
18:20		Attention signal
18:25	IRC1 Class	Warning Signal
18:30	IRC1 Class	Starting Signal
	IRC2 Class	Warning Signal
18:35	IRC2 Class	Starting Signal

## 7. CLASS FLAGS

Boats shall display their class flag beneath IC flag "Z" on the backstay or mainsail leech as follows:

- a) IRC1 - IC numeral pennant "1"
- b) IRC2 - IC numeral pennant "2" or flag "E"

## 8. RACING AREA

The racing area will be the South Cornwall & Devon coast from Pendennis Point to Prawle Point.

## 9. COURSES

- 9.1 The courses are as shown in Addendum A and will be chosen according to wind speed and direction.
- 9.2 The courses will be announced on VHF channel M2 approximately 20 minutes before, and repeated at intervals prior to, the warning signals.
- 9.3 If the race is shortened or abandoned after the start the race committee will advise competitors using VHF channel M2 and the COGS WhatsApp Group. This changes RRS 32. Failure to receive this notification will not be grounds for redress. This changes RRS 61.1.

## 10. MARKS

- 10.1 The marks of the course are as shown in Addendum B.
- 10.2 If any mark is missing then a virtual mark shall be considered to exist at the position given in Addendum B. A virtual mark shall be treated as if it were a physical mark. Appendix WP applies (World Sailing/Docs/2025-28 App WP Rules for Waypoints Jan 2025). This changes RRS 34.
- 10.3 When data from electronic positioning systems are used to determine the position and track of a boat for the purpose of verifying compliance with the rules, precedence shall be given to data from the boat's primary navigation system.

## 11. OBSTRUCTIONS

- 11.2 [NP] Commercial shipping. Moving exclusion zones around commercial vessels constricted by their draft or size are designated obstructions. Such exclusion zones extend to 100m on all sides of the vessel and include tugs, pilot boats and safety boats escorting the vessel. No competitor is at any time to enter the exclusion zone, and, if becalmed, is to use their engine or other means of propulsion to move out of the way. This should only be sufficient to move out of the exclusion zone, and the distance travelled should be the shortest necessary to keep clear. Competitors who unnecessarily interfere with shipping bring the sport into disrepute and shall be reported by the race committee under RRS 69 - Misconduct.
- 11.3 Diving activity. Exclusion zones extend 30m around a dive boat displaying international code flag "A", an orange pillar mark indicating a diver beneath the surface, and a diver on the surface. No boat is at any time to enter the exclusion zone.

## 12. THE START

- 12.1 The start will be the St Mawes Sailing Club start line. This is a transit of the yellow pole on the apex of the Clubhouse roof and the yellow pole on the St Mawes Quay. Boats must pass seaward between an inner distance mark (IC flag "I") and an outer distance mark (IC flag "D"). NOTE - there is a St Mawes turning mark (IC flag "T") located equidistant between the IDM and ODM, but forms no part of the start line.
- 12.2 Starting signals, including a countdown, will be made by the race committee on VHF ch M2. Failure to receive this broadcast will not be grounds for redress. This changes RRS 61.1(a)
- 12.3 No visual individual or general recall, postponement or abandonment signals will be displayed. This changes RRS 27, 29.

- 12.4 Any boats OCS (on course side) at their starting signal will be broadcast by the race committee on VHF channel M2 if they can be identified. Failure to announce sail numbers and failure of boats to receive this broadcast will not be grounds for redress. This changes RRS 61.1 (a).
- 12.5 Boats whose warning signal has not been made shall avoid the starting area during the starting sequence for other classes.
- 12.6 For the purposes of the definition of "Start" and "Finish" the term "hull" is to include a boat's bowsprit in its normal position. This changes RRS 21.1, 29.1, 30 and 44.2.
- 12.7 A boat that does not start within 20 minutes after her starting signal will be scored DNS (did not start). This changes RRS 28.1, A5.1 and A5.2.

Rule 3 of the Racing Rules of Sailing states: “The responsibility for a boat’s decision to participate in a race or to continue racing is hers alone”. Sailing is by its nature an unpredictable sport and therefore inherently involves an element of risk. By taking part in the event, each competitor agrees and acknowledges that:

- (a) They are aware of the inherent element of risk involved in the sport and accept responsibility for the exposure of themselves, their crew and their boat to such inherent risk whilst taking part in the event;
- (b) They are responsible for the safety of themselves, their crew, their boat and their other property whether afloat or ashore;
- (c) They accept responsibility for any injury, damage or loss to the extent caused by their own actions and omissions;
- (d) Their boat is in good order, equipped to sail in the event and they are fit to participate;
- (e) The provision of a race management team, patrol boats and other officials and volunteers by the event organiser does not relieve them of their own responsibilities;
- (f) The provision of patrol boat cover is limited to such assistance, particularly in extreme weather conditions, as can be practically provided in the circumstances.
- (g) It is their responsibility to familiarise themselves with any risks specific to this venue or this event drawn to their attention in any rules and information produced for the venue or event and to attend a safety briefing held for the event.

- (h) They are responsible for ensuring that their boat is equipped and seaworthy so as to be able to face extremes of weather, that there is a crew sufficient in number, experience and fitness to withstand such weather, and that the safety equipment is properly maintained, stowed and in date and is familiar to the crew.

### **31. INSURANCE**
